Inspector Rob Bryan

Halloween

Every Halloween we see a rise in nasty anti-social behaviour. To combat this we have an all hands on deck policy within Neighbourhood Policing and this year was no different with over 125 local officers working late into the night across the BCU (Ealing, Hillingdon and Hounslow) on top of the Emergency Response Teams already on duty. Here is just a snapshot of what the Neighbourhood officers achieved:

44 people stopped and searches.

6 people arrested, with six knives being taken off the streets.

8 Penalty Notices for cannabis possession issued.

16 PSPO notices served.

This is just a sample – they responded to countless calls for help during the night, including finding three high risk missing persons and dealing with someone attempting suicide.

We will repeat this operation on Monday 5 November to again target those who use these days to act feral.

Hillingdon's Beat

Always swanning about. There is more to policing

than just nicking villains as officers from our Emergency Response Teams found out when they came to the rescue of this cygnet.

When we posted this on Twitter we were soon flooded with numerous Hot Fuzz references. But the best response has to be from the person who on first viewing on their smartphone thought we

had in fact caught a baby elephant 😊

Excellent proactive arrest. The Partnership Tasking Team love to get stuck in. One arrest in Hayes led to the seizure of drugs and weapons and a man being charged with six offences and remanded in custody. Great work.

Neighbourhood policing is not just tea and cakes.

The Eastcote Safer Neighbourhood Team recently executed a

search warrant on an address and as well as finding drugs they also seized this zombie knife.

Why would anyone want to own this? One person was arrested.

The Met is recruiting

The Met Police is currently recruiting for new constables. And for a limited time the requirement to live in London has been lifted. If you know anyone from outside Greater London who is interested in a police career please point them towards our website:

<http://www.metpolicecareers.co.uk/newconstable/>

Help us reduce burglaries

If you have a UPVC door please remember to lift-lock-remove when you go out and when you go to bed. If everyone did this we could reduced burglary by 10%
