## Calling all Co-ordinators

Please email or write to us by 30<sup>th</sup> November indicating:

- Your willingness to carry on as co-ordinator
- The number of households you deliver the HNW Newsletter to
- Any need for replacement signs, additional stickers (or bells or purse cables)
- Details of any additional notes that you create and deliver with the newsletters
- If you are able to help man a stall at events like :

**Open Day at Ruislip Police Station on Saturday 7<sup>th</sup> December**

If you have no computer please write to us at Ruislip Police Station

If there is a big response it will take us a while to respond it is to be hoped before 01.02.2014

**HELP** we still need:

**Two more Steering Group members** (ideally those who are already Co-ordinators) who can commit to a couple of hours a week (less high days and holidays) at Ruislip Police Station where our base is (are you 50+ recently retired and bored? You could be bored and having fun in company!)

**More Co-ordinators** (especially in the West, East and South of the Borough) who are prepared to Register with us and Collect and deliver 20/50 Newsletters every month to their Watch (a commitment of about 2 hours per month) and possibly participate in the running of HNW by attending social events and helping with our stand on days like the 60+ Fair (1st October at The Mall/Pavilions)

**We thank** those who have come forward but some have had to withdraw for a combination of personal reasons and so we ask you to keep stepping up to see if you could enjoy yourselves with us.

**Remember** last month's advice on the darker evenings and the need to be extra vigilant as we approach the season of Advent, Christmas, Hannuka and Diwali. For more detailed advice and information visit [www.crimereduction.gov.uk](http://www.crimereduction.gov.uk) or contact us as above by telephone and we can send you a leaflet.

**Inspector David George (North)** told an IRA meeting on 24<sup>th</sup> October of the reduction in crime in the Borough; Burglary(23%), Robbery (34%), Vehicle crime(20%) and Overall Crime(24%) were all significantly down. This is in spite of being significantly undermanned. He praised the co-operation he is receiving from the residents including HRAC.

**Chief Inspector Rob Wilson (Borough)** also passed on the Borough good news on crime reduction and told of 19 arrests following Operation Big Wing\* which were mainly for Class A drug offences. He also reminds everyone to leave lights on and make sure your property is well secured as the nights draw in.

**Inspector Andy Lewis (East)** said "This\* was an outstanding day of Partnership action with Met officers and Council enforcement Officers working together for a safer Hillingdon

**Hayes Police Station:**  
**Opening Hours now: 12.00-20.00 Monday to Friday**

**Age UK Hillingdon:** Chris Commerford (Chief Eexec) has offered to distribute the Newsletters through their network and to refer to HNW in their triennial newsletter. If **volunteering** for HNW is not your cup of tea please consider **volunteering** with Age UK Hillingdon. They are very friendly and seem to have a lot of fun (like HNW). Contact: [ageuk.org.uk/Hillingdon](http://ageuk.org.uk/Hillingdon) or phone 0208 756 3040

**Age UK London Business Directory:** the new October/November edition is out. Co-ordinators may find this very useful both personally and to give a copy to elderly and vulnerable residents. Contact [aubdlondon.co.uk](http://aubdlondon.co.uk) or Freephone 0800 334 5056

**We still hear of elderly** and vulnerable residents being conned out of many thousands of pounds for building work that is never done, badly done or grossly overcharged for. Please **LOOK OUT** for your neighbours and if builders call at the door refuse to deal with them and phone 101.

**We are grateful** to the Council for their administrative support and in particular for cross referencing our Neighbourhood Watches with the Street Champions so that we can work together to achieve Borough wide coverage of both networks to increase local pride and neighbourliness thereby reducing the fear of crime and anti-social behaviour and , it is to be hoped, its actual incidence.
