### Calling all Co-ordinators

Thanks to all those who responded last time. If any of you who did not could now respond it would help. Please state your watch and ward (probably street and constituency ward) plus

- Your willingness to carry on as co-ordinator
- The number of households to which you deliver the HNW Newsletters
- Any need for replacement signs, additional stickers (or bells or purse cables)
- Details of any additional notes that you create and deliver with the newsletters
- If you are able to help man a stall at events like :

If you have no computer please write to us at  
Ruislip Police Station

If there is a big response it will take us a while to respond it is to be hoped before 01.02.2014

### HELP NEEDED for 2014:

**Two more Steering Group members:** Please keep asking yourself if you could commit to a couple of hours a week at Ruislip Police Station as, if we can get two more people on the Steering Group, it will enable us to share the load and broadcast more effectively to the whole Borough. We'll hope to hear from you in January 2014  
**Please see the Web site for what is involved**

**More Co-ordinators** (especially in the West, East and South of the Borough) who are prepared to Register with us and Collect and deliver 20/50 Newsletters every month to their Watch (a commitment of about 2 hours per month) and possibly participate in the running of HNW by attending social events [60+ Fair & Aladdin's Cave]  
Editor's Note November Issue IRA = Ickenham Residents' Association!

### Remember **BE CAREFUL NOW CHRISTMAS IS UPON US**

**Take care of your house** (always lock up properly especially at night)

**Take care of your property** (presents - hide from view)

**Take care of your valuables when in public** (jewellery, wallet purse, mobile phone are invisible if covered or in secure pockets- HNW purse bells and cable clips are very useful)

**Take care when drawing cash from the machines** (be alert and avoid, if possible, times and places when you are isolated)

**Pickpockets love tube stations, areas around cash machines, car parks, bush stations and rush hours.**

**Beyond this wholesome discipline, have A VERY MERRY CHRISTMAS**

**Inspector David George (North)** Hopes you enjoyed The Open Day at Ruislip Police Station and the second Aladdin's Cave at the Civic Centre. We are interested in any comments on either event

### Calling all Residents' Associations

especially Northwood, Harefield and those in the South - Yiewsley, West Drayton, Pinkwell and Heathrow Villages. The Chairman apologises for his failure to make contact in his first year and asks you, please, to make contact in 2014 so that we can create cohesion across the Borough, help each other to keep our collective chin up and increase pride in our Watches, Wards and Borough. We are not in decline **WE ARE ON THE RISE AND... ON WATCH!**

Co-ordinator **Noel Hynes of Eastcote** reminds all who read this Newsletter that it is **YOU** who create HNW by keeping an eye out on neighbours' property, especially the vulnerable, young or old and responding by ringing 999,101 or Local Police Teams as appropriate.

**Age UK Hillingdon:** Especially at Christmas extend a little attention to your elderly vulnerable neighbours, make sure they are all right and ask if they need anything. Be discreetly neighbourly! If you feel they need help or you wish to volunteer to help specifically with older people contact: ageuk.org.uk/Hillingdon or phone 0208 756 3040

**Age UK London Business Directory:** the new October/November edition is out. Co-ordinators may find this very useful both personally and to give a copy to elderly and vulnerable residents. Contact aubdlondon.co.uk or Freephone 0800 334 5056

**We constantly hear of elderly** and vulnerable residents being made fraudulent offers or asked to reveal bank account details or pin numbers in response to telephone calls, emails or knocks on the door. Please **LOOK OUT** for your neighbours and if builders call at the door refuse to deal with them and phone 101.

**We are grateful** to the Council for their administrative support and in particular for cross-referencing the coverage of our Neighbourhood Watches with the Street Champions so that we can work together to achieve Borough wide coverage of both networks to increase local pride and neighbourliness thereby reducing the fear of crime and anti-social behaviour and, it is to be hoped, its actual incidence.
