HELP CONTINUE THE REBIRTH IN 2014:

Two more Steering Group members are STILL needed: Please keep asking yourself if you could commit to a couple of hours a week at Ruislip Police Station as, if we can get two more people on the Steering Group, it will enable us to share the load and broadcast more effectively to the whole Borough.
Please see the Web site for what is involved (this is to be updated!)

More Co-ordinators needed (especially in the West, East and South of the Borough) who are prepared to Register with us, Collect and deliver 20/50 Newsletters every month to their Watch (a commitment of about 2 hours per month) becoming ACTIVE GOOD NEIGHBOURS!

BE CONSISTENTLY CAREFUL IN 2014

- Take care of your house (always lock up properly especially at night)
- Take care of your property (presents received- hide from view)
- Take care of your valuables when in public especially at the crowded sales (jewellery, wallet or purse, mobile phone are invisible if covered or in secure pockets- HNW purse bells and cable clips are very useful)
- Take care when drawing cash from the machines (be alert and avoid, if possible, times and places when you are isolated)
- Pickpockets love tube stations, areas around cash machines, car parks, bush stations and rush hours.
- Observe this wholesome discipline, be not afraid and have

A Brilliant 2014

Calling all Residents' Associations

Please, make contact in 2014 so that we can create cohesion across the Borough, and help each other to keep our collective chin up. We are not in decline **WE ARE ON THE RISE AND... ON WATCH!**

Do not forget Age UK Hillingdon always need volunteers too: In the depth of Winter spare some attention for your elderly vulnerable neighbours, make sure they are all right and ask if they need anything. Be discreetly neighbourly! If you feel they need help or you wish to volunteer to help specifically with older people contact: ageuk.org.uk/Hillingdon or phone 0208 756 3040

We still hear of elderly and vulnerable neighbours being made fraudulent offers or asked to reveal bank account details or pin numbers in response to telephone calls, emails or knocks on the door. Please LOOK OUT for your neighbours and if spurious 'builders' call at the door refuse to deal with them and phone 101.

Let us make 2014 the year of the continued rebirth of HNW
