Data from MPS Crime Mapping

Welcome to the experimental new format. We are indebted to Dominic for his help in creating this. Please continue to say or Email how you find it.

There is a great deal more detail on the MPS Crime Mapping website if that is what you require. For those not connected, do ask and we will do our best to respond.

There is a welter of Crime Prevention advice including paper and electronic booklets around and we shall try to circulate the best.

A recent 'Newsletter' from Inspector George caused worry to one co-ordinator who thought that Ruislip Police Station was not continuing to be opened by the Met Police Volunteers. It is open Monday to Friday 10am-5pm and Saturday morning provided there are two volunteers to man the front desk.

Commander Steve Kershaw is retiring very soon and Des Rock, his No 2, will take over. We thank Steve for his steady encouragement and wish Des well.

HNW Steering Group will be at the Northwood Residents Association AGM on Thursday 3rd April and we hope this will be the first of many 'outings' to encourage co-ordinators to come forward.

Beware of solicitors' letters from Hong Kong advising of a large legacy. This is an attempt to persuade you to disclose bank details and forward money to secure the legacy.

Also beware of calls or emails saying a courier will call with a gift of flowers and alcohol. It is all set up for you to offer your debit card to a mobile card reader, enabling a subsequent raid on your bank account.

We now have all the help we need for the time being with the Editorship. We have also received an offer of help from the very much younger generation which we may be able to create into a Duke of Edinburgh award scheme project. We take this opportunity to repeat that you are never too young or old to take an active part in your neighbourhood and

BE ON A WATCH.
