Nearly all of the response to the new format has been positive. Cabinet Minister Nick Hurd's Office emailed approval –thank you. There is a technical reason for the (funereal?) white on black - our designer, Dominic, may be able to vary it. Three members of HNW Steering Group were commended at the Retiring Borough Commander's awards ceremony. Our Chairman accepted the Commendation for all those who have gone before, are currently helping and will in the future help to make Hillingdon a safer Borough. We look forward to an equally fruitful relationship with Des Rock, Steve Kershaw's successor.

The new Safer Neighbourhood Board, chaired by Ian Brooks, has held its inaugural meeting and will act as a 'critical friend' to Hillingdon Division, in the persons of Des Rock and Chief Inspector Rob Wilson, to monitor the police's performance and report to the Mayor's Office. Ian Brooks will be seeking to maintain and increase the highly valued contribution of the Ward Panels to this process. Your Chairman is on the Board.

With Easter holidays on the horizon keep neighbours aware if you're going away, put lights and radios on time switches and make sure you are securely locked up and the alarm is switched on as you leave. As the weather improves make sure you keep garden valuables secure. Do pick up 'Sheducate' leaflets to accompany the April and May Newsletters.

Please be aware that invitations to ring **0809** numbers may be **more expensive than 0900** numbers –if sourced from the Dominican Republic as much as £15pm. Scams continue in the shape of unordered or unexpected credit cards, inheritances and gifts. Do not be fooled!

We hope in the next month to be circulating an electronic comprehensive set of Crime Prevention Advice including sections on scams and cyber crime. Much of this is basic common sense with pictures and illustrations but reminders are good.
