Data from MPS Crime Mapping

Set the Police Agenda

by connecting to your **Ward Panel** and requiring the police to make three promises and honour them before the next Ward Panel meeting (quarterly). The tasks you set your Local Police team have to be Specific, Measurable, Achievable, Relevant and Timely. The Ward Panels now function under the NEW Safer Neighbourhood Board. Contact the Ward panels through the Local Police Team nos. (listed alongside). Many Co-ordinators are already on the Ward Panels and we are trying to get a list so that we can encourage others to join.

The New Borough Commander, Chief Supt Nick Downing, popped in to see us at Ruislip and committed to keeping up the close liaison and contact with HNW personally and through Insp David George.

30 new constables are expected to be in post by September enabling the Local Police Teams to be up to strength by September reports the Borough No 2, Supt Des Rock.

Statistics some of you may be pleased to hear that for the next three months we shall report these in a 'narrative highlights' way while the web site will continue to tabulate them.

{There is more information on our web site on all the topics in this Newsletter and other matters www.hillingdonnhw.co.uk}

Good News Stories of the help given by Watches (especially Hayes, Northwood and Ickenham) to the Police leading to arrests, warnings and convictions continue to arrive.

Recent New and Re-vitalised Watches – thanks to those from Glebe Ave, Wentworth Drive, St Giles Ave, Raleigh and Findhorn Aves and Roy Road who have volunteered. **More co-ordinators** are still needed throughout.

Scam alerts from co-ordinators:

Letters reporting dead members of your family with wealth in China are popping up all over Hillingdon –they are NOT genuine 'Heir Hunters'. **'Ex-Service Men'** selling on the doorstep are likely to be a con; keep the door chain on and ask to see their Police License or simply do not answer the door.

Cold phone calls from anyone wishing to protect your computer from viruses are attempted set ups, easily recognisable if you do not have a computer!

Keep the comments coming we shall keep trying to adopt them if they are a teensy bit positive. They are still evenly balanced between positive and negative.

**BE AN ACTIVE GOOD NEIGHBOUR,
BE ON WATCH AND
BE ON A WATCH.**
