New Watch

We welcome members of the new watch in Reginald Road, Northwood.

Summertime Security

Now that summer seems to have arrived. Do please be vigilant with your home security, i.e. whilst you are enjoying that barbecue in your back garden, do ensure that your front door and windows are securely locked – it only takes a moment for that opportunist thief to take advantage of lax security.

Home Security in your absence

Remember that the best burglary deterrent is to make your home look occupied. Use automatic timer switches to turn your lights on / off at appropriate times to simulate occupancy. Cancel any milk or newspaper deliveries. Avoid discussing holiday plans where a stranger may hear details of your absence from home. Give a trusted person a set of keys and ask them to remove any accumulating mail that may be visible from the street. If you normally leave valuable bicycles or similar items in your shed consider putting them in the house. Make sure that you lock all outside doors and windows before you leave.

Hug a Mugger

Beware of strangers approaching you asking for directions to the nearest hospital. The victim is thanked via a hug, during which a piece of jewellery is placed on the victim whilst removing the victim's own valuable(s). The offences in Hillingdon have occurred in broad daylight and have targeted females.

Scams Awareness Month

May was Scams Awareness Month. According to the Trading Standards Institute, only five per cent of scams are reported. This is because so many people feel shame or embarrassment at being caught out. We don't want people to suffer in silence. We want you to help us encourage your neighbours, relatives and friends to report scams or attempted scams to www.actionfraud.police.uk

Statistics and Layout

We welcome your feedback regarding the change in presentation of the residential burglary statistics, either by phone or e-mail. Your comments will determine the method of future representation
